

Stiefel RP1 Insect-Stop Ultra

Highly effective insect protection
For long-lasting protection

Quality insect repellent for horses

Even stronger now! Stiefel RP1 Insect-Stop Ultra is a highly effective insect repellent with active protection against ticks and insects according to the Biocidal Products Regulation with an increased concentration of active ingredients for long-lasting protection. The active ingredient Saltidin® (Icaridin) is almost odorless for us humans and does not bother humans or horses with an unpleasant smell. Stiefel RP1 Insect-Stop Ultra offers protection for many hours. Optimal effectiveness in combination with the RP1 Gel. Suitable for horse and rider.

Active ingredients:

Sec-butyl 2-(2-hydroxyethyl)piperidine-1-carboxylate (Icaridin (Saltidin®)) 150 g / kg; Eucalyptus citriodora oil, hydrated, cyclised 3 g / kg

Application:

Thinly spray onto the coat from a distance of approximately 25 cm as required. Apply with a cloth to sensitive horses or alternatively use RP1 Gel. Riders should thinly apply RP1 onto the skin. Do not apply to sensitive parts of the body (eyes, ears, nostrils and mucosa). Active protection starts immediately. Pump spray for protection against insects with Icaridin (Saltidin).

Hinweise:

Use biocides sparingly. Always read the label and product information before use. Keep the container tightly closed. Store out of reach of children. Do not apply under the saddle or clothing. Do not spray onto open wounds. Only use in well-ventilated areas, do not inhale the aerosol. Consult a doctor after swallowing, present the package and label. Only for external use.

Hazard note:

Flammable liquid and vapour. Can cause severe eye irritation.

Safety information:

May not be accessible to children. Keep away from heat, hot surfaces, sparks, open fire and other sources of ignition. Do not smoke. Wear gloves/protective apparel/eye protection when applying. IN CASE OF CONTACT WITH EYES: Rinse carefully with water for several minutes. If wearing contact lenses, remove them if possible. Continue to rinse eyes. Seek medical advice/attention if eye irritation

persists. Store cool and in a well-ventilated place. Dispose of the content/container at a collection point for hazardous and special waste.

Packaging:

Art. ST007811 500 ml

Art. ST007813 2,5 l
